Position: Associate Therapist

Department: Clinical

Classification: Exempt

Reports To: Clinical Director

Status: Full-time (part-time options available)

Level: Limited License

Type: In person, virtual, or hybrid

Essential Function:

This position is responsible for providing mental health outpatient counseling to clients and completing all required documentation to keep clients' records updated according to legal/ethical guidelines of the profession. The clinician will strive to build a therapeutic rapport with their clients and provide appropriate evidenced-based treatment.

Regular Responsibilities and Duties:

Core duties and responsibilities include the following:

- Provide mental health therapy to clients within the scope of training/experience
- Provide limited case management services as necessary and/or communicate with other healthcare providers involved to advocate for other services as needed
- Respond to client crises as necessary and make recommendations to keep the client safe and ensure all company safety measures are followed
- Complete progress notes, with signature, and other documentation to keep client's record up to date within 48 hours of the session time
- Adhere to legal and ethical guidelines of the profession as well as to "best practice" documentation and billing requirements
- Maintain a professional appearance and attitude in interactions with others
- Keep track of billable hours on a weekly basis
- Develop a rapport with clients to facilitate a healthy therapeutic relationship
- Collect correct payments from clients and schedule ongoing appointments. All payments must be collected within 48 hours of the session.
- Receive regular supervision from an approved clinical supervisor and keep appropriate documentation to show progress on completing the requirements to become licensed.
- Demonstrate self-motivated attitude
- Maintain regular and open communication with other members of the team
- Demonstrate the ability to effectively multitask
- Follow and implement company policies as outlined in the company employee handbook
- Keep work area clean and organized
- Demonstrate a willingness to learn new skills and techniques and display a teachable attitude when learning a new skill
- Perform related work as assigned
